16. September. 1999

Dear Sirs,

I should like to clear any misunderstanding regarding the preference of East Meon F.C. with regard to the location of the new football pitch.

At no time have I, or any other spokesperson stated a preference for the new football pitch to be sited alongside the Village Hall, as opposed to Belmont Farm.

Indeed, having been shown the proposal for the siting of the new pitch at Belmont Farm by Mr. M. Hawthorne, and having subsequently discussed these proposals with other members of East Meon F.C., I feel that Belmont Farm would be the best option for East Meon F.C.

Yours sincerely.

Secretary/Manager E.M.F.C.
