THE ATTRACTIONS

The East Meon Country Fair has assembled a rare collection of displays and demonstrations of Country Life which will afford a rare opportunity to experience traditional skills and crafts still practised in Hampshire.

County Crafts

Throughout the afternoon there will be demonstrations of sheep shearing and horse shoeing, displays of bee-keeping and spinning and stalls of country produce.

Country Corner

Young East Meon farmers have prepared a delightful display of farmyard animals, including lambs, hens and pigs, calves and a goat many of which can be handled. There's also a "guess-the-weight-of-the-pig" competition. The schoolchildren of the village will be exhibiting a variety of household pets, including hamsters, guinea pigs, goldfish and rabbits.

Wasps

There will be two 40-minute displays by these amazing teeny-bikers, aged 7-17, whose displays of synchronised formation motor bike riding has built them a following throughout Hampshire.

Vintage Tractors

The afternoon will start with a Grand Parade of these rugged work-horses of the fields, which will then be parked for visitors to inspect (and for children to "take over the controls").

Brass Band/Morris Dancing

The Blendworth Brass Band and Wickham Morris Dancers will take it in turns to perform throughout the afternoon.

Vintage Cars

On display will be six vintage and classic cars. Visitors are invited to examine these much-loved and cared-for masterpieces of engineering, and to pit their wits in a vintage competition.

Dog Agility Display

The Country Fair is hosting a three counties club agility competition, including a canine obstacle course.

Police Displays

The Hants police will kindly provide their Crime Prevention Bus, and demonstrate the work of a Dog Handler and Police Car (unless distracted by an unscheduled crime wave!)

... and of course...

There will be a wide range of side-shows and activities, including Face Painting, Pony Rides, Bouncy Castle, Skittles, Mini-Golf, Darts, a Bicycle Obstacle Course, and last but not least Teas and a Wine/Beer Tent.

EAST MEON COUNTRY FAIR

Monday May 31st, 1993

2.00-5.00 pm

Workhouse Lane, East Meon
