Dear Mrs. Ross,

East Meon Village Hall

The County Architect has listed the following defects and outstanding work not completed that Mr. Seeley, your Architect, has requested.

1. Door and frame to kitchen passage door to be completed. ✓
2. Door and frame to kitchen door to be completed. ✓
3. It appears that the timber boarding in the Club Room has not been decorated. explained
4. Part of the wall tiling in the kitchen is falling off and needs to be replaced. ✓
5. I would question the use of a closeboarded door to the Boiler Room. ?
A louvred door is normally required for ventilation.

I should be grateful if you would pass this information on to Mr. Seeley.

Yours sincerely,

J. H. Aldam
