

Drayton Mill,  
East Meon.

Dear Supporters,

The East Meon Little Folk perform for two reasons: because we enjoy giving concerts and because we get satisfaction from raising money for charity. All the profit we make goes directly to the charity concerned. We have no funds and little equipment, we are therefore entirely dependent on the goodwill and generosity of others when we are organizing a concert. It is to all these kind people that we would therefore like to express our warmest thanks. To our advertisers, then, to the people who loaned us equipment, to the ladies who prepared and served refreshments, to those who sold programmes, tickets and displayed posters, and last.....but by no means least, to our audience

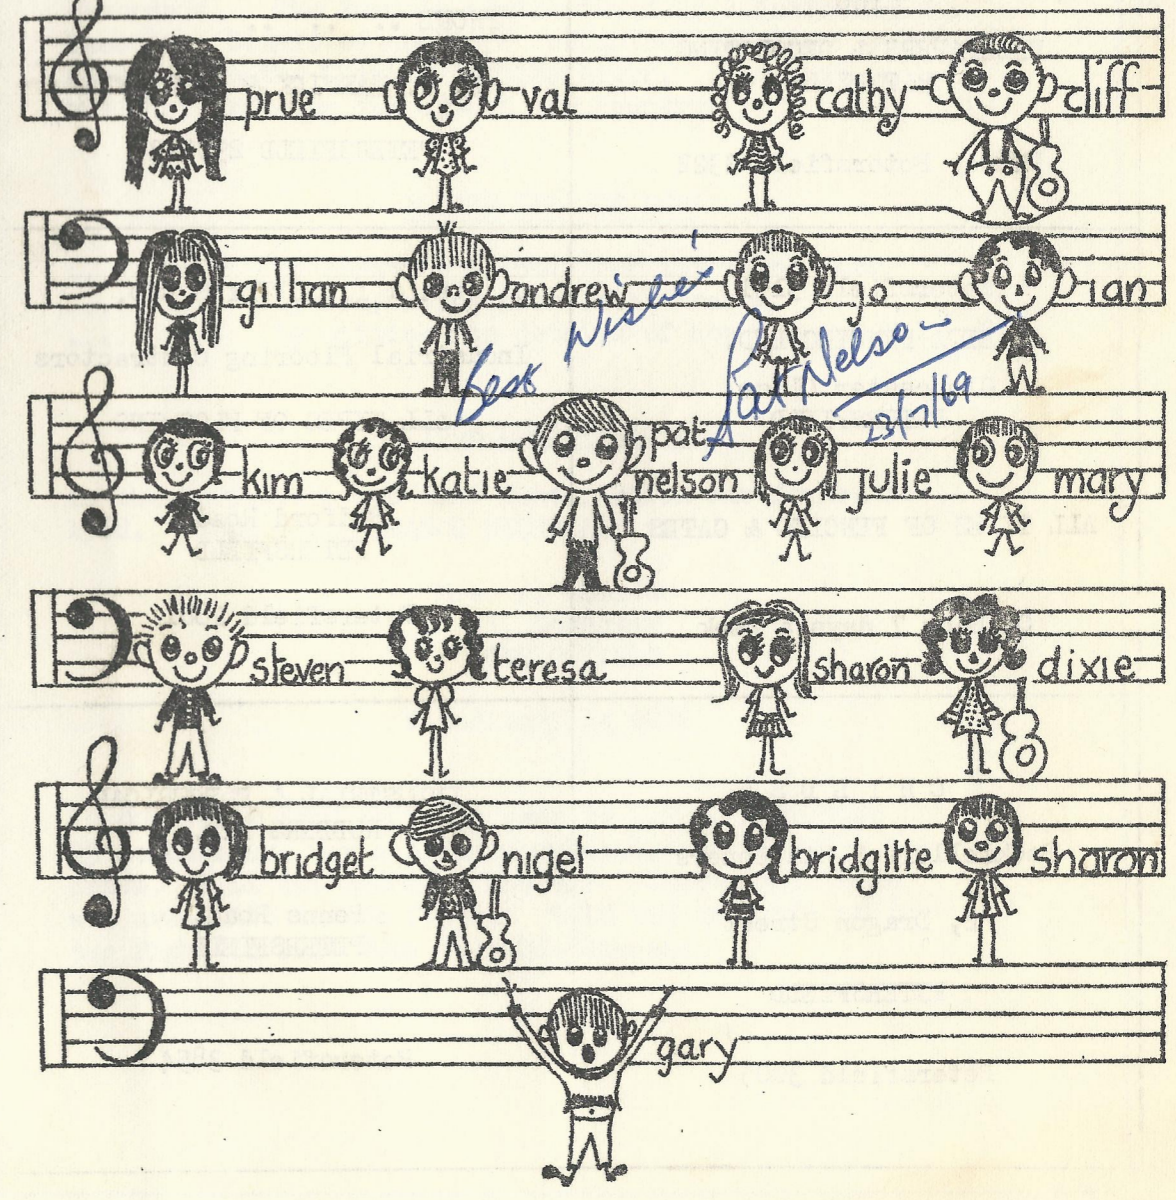

Thank-you

Yours sincerely,

Prue Nelson

EAST MEON LITTLE FOLK

by East Meon Little Folk

Bridgitte and Katie like to go to the folk singing.  
Bridgitte says that Mrs. Wott. is very nice and never speaks  
an angry word. Katie says she likes to go because it is fun  
and Mrs. Knott is never horrid to us.

You have drinks and biscuits which are very good and the  
people in the choir are very nice. Bridgitte and Katie say  
"THREE CHEERS FOR AUNTIE DIXIE." Andrew says he likes to do  
his bit.
