.....
 : The East Meon Little Folk first gathered together to 'sing a stave'
 : exactly one year ago. Since making their first appearance on an
 : unsuspecting public in December, 1968, they have raised over £200
 : for charity. Tonight's concert will launch a fund for the building
 : of a new village hall and proceeds from their next concert in West
 : Meon on October 11th will go to the Muscular Dystrophy Research
 : Fund. From December 8th until December 23rd (Sundays excepted) the
 : choir will be singing carols in and around East Meon for a charity
 : yet to be decided. As the number of members has increased since
 : last year, it has been decided to divide the choir into two teams
 : of ten, so that they can fit into your houses more easily. If you
 : would like a visit from them this Christmas, please fill in your
 : name and address etc., on the form below and drop it in the box at
 : the door on your way out. One last word.. (or so!). The choir
 : would like to express its very warm thanks for all the help and
 : encouragement the people of East Meon have given them. Their con-
 : cert debut here in April was very much a trial effort and your
 : warmth and enthusiasm was a very real source of inspiration. Thank
 : you, East Meon.
